On August 02, 2005 I responded to your Proposed Order with a Brief on Exceptions filed within the required guideline. Since then, I have not received any correspondence from your office or Peoples Gas Light and Coke Company concerning the Brief of Exceptions. I am constantly receiving negative credit ratings from Peoples Gas Light and Coke Company on a monthly basis along with the negative rating I received prior to me filing my initial complaint.

I have complied with every aspect of the established procedures governed by the Illinois Commerce Commission to the best of my knowledge. My credit score would be well over 700 if it were not for Peoples negative ratings. I am not opposed to paying the \$750.00 that was agreed upon by myself and the representative from People Gas Light and Coke Company but I should not be penalized for the negative ratings that I had no control over.

I would like to know what my next course of action is. I responded with the Brief of Exception whereas I respectfully requested that your Proposed Order be revised to incorporate my credit report accuracy and to adjust my Peoples Energy account to reflect no late payments or deposit required. Right now my credit report is showing that I owe Peoples Energy \$930.00 and this figure grows monthly. This is all because of their inability to correct a problem that was created by Peoples Energy, my credit ratings.

Please advise me as to what your ruling is on my Brief on Exceptions and any appeal rights that I might have. I am ready to put this situation to rest and I need my credit report to reflect my true payment history.

I have relocated due to my job to Dallas Texas. My new address is 4207 Live Oak Street, Apt 3310, Dallas TX 75204-6723. I can be reached at 214 821-5101 or 630 649-4270.

Thanking you in advance,

  
Florine Matthews

P.S. A copy of the Brief of Exception that was sent to you on August 02, 2005 is enclosed.

Brief on Exceptions of  
Florine Matthews

This Brief of Exceptions is submitted by Florine Matthews on the Administrative Law  
Judges' Proposed Order (PO) in the above reference proceeding.

The Proposed Order states, "In written correspondence dated March 18, 2004,

**1. Overpayment**

Complainant confirmed settlement of the overcharge claim and stated that her account  
had been credited appropriately."

On July 17, 2003, the charges for gas service were agreed upon by Attorney Brigada  
and me in the amount of \$750.00 for the period in question. As of today, every month  
my bills are showing late payments plus a deposit in the amount of \$200.00+ Currently  
my credit report is showing late payment caused by Peoples Gas Light and Coke  
Company. This is an ongoing problem dating back to the initiation of this complaint.

**2. Ruling**

Proposed Order states, "On June 15, 2005, the ALJ issued a Ruling directing the parties,  
or either of them, to show good cause why this proceeding should not be dismissed.

Neither party responded.”

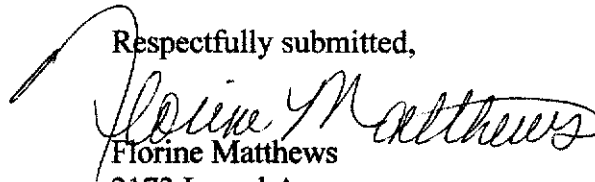

I have not received a Ruling dated June 15, 2005 or any other correspondence from the ALJ until this Proposed Order. I have diligently prosecuted this complaint from the beginning. I am not acknowledging that the parties have voluntarily resolved the claim of overcharging and that my account has been appropriately credited.

I have no knowledge of what the procedures are under the Public Utilities Act 10-108 or 10-113.

### **3. Conclusion**

Wherefore, I respectfully request that the Proposed Order be revised to incorporate my credit report accuracy and to adjust my Peoples Energy bill to reflect no late payments or deposit required.

Respectfully submitted,
